Terms of Use and Conditions as Defined Below:

A. LIMITED USAGE GRANTED:

1. **ThemeStock.com Personal Membership:** ThemeStock.com offers three (3) personal membership plans each of which is distinguished by the number of licenses granted with that membership. If you purchase a personal membership you may only use the templates for your personal websites and the number of websites you are permitted to use the templates on will be dependent on the personal membership package you select. The available personal membership packages and the licenses attached to that membership are illustrated below. ThemeStock.com reserves the right to amend these prices and licenses at any time.

Personal License Memberships:

3 Month Personal Access - Price: \$89.99 - Number of Licenses: 4

6 Month Personal Access - Price: \$119.99 – Number of Licenses: 9
1 Year Personal Access - Price: \$139.99 – Number of Licenses: 15

One license is used each time that any ThemeStock.com product is used on any website URL. For example, the use of a ThemeStock.com product on <http://www.yoursite.com> would constitute the use of one license. If you thereafter, chose to use the same product or different product on a subdomain, such as <http://design.yoursite.com>, or on a hostname, such as <http://hostname.com/yoursite>, this would constitute the use of an additional license. In other words, if you used the same or different ThemeStock.com product on all of the examples listed above, you would have used three (3) licenses. Therefore, each website URL that you use a ThemeStock.com product on will count as a license, and you must register the website URLs you will be using the ThemeStock.com products on and licenses for within your member account page once you have purchased a membership and each time thereafter that you use one of your personal licenses.

You are not permitted to use any ThemeStock.com products on any website URLs that you do not have any licenses available to use said products on. Any violation of this provision of your ThemeStock.com Personal Membership Terms of Use will be considered a breach of your service agreement, resulting in the immediate suspension of your account and all licenses acquired prior to this breach shall be rendered void requiring the immediate removal of any and all ThemeStock.com products from all website URLs you have used ThemeStock.com products on and the deletion of said products within your possession. **Again, please note, however, that you may not use any of the licenses provided as part of your personal membership for any client or clients, and the ThemeStock.com products may be used on your personal websites ONLY.**

If you need to acquire individual licenses at any time, you may do so by logging into your account and clicking Buy More Licenses under Template Licensing in your member account details.

2. **ThemeStock.com Developer Membership:** ThemeStock.com offers three (3) developer membership plans each of which is distinguished by the number of licenses granted with that membership. If you purchase a developer membership you may use the templates for your personal websites, as well as your clients' websites, and the number of websites you are permitted to use the templates on will be dependent on the developer membership package you select.

A developer license allows you to use the templates for your own website, or sell developed themes to a client in a client/developer relationship, which means there must some level of development, such as installing or customizing the template. However, a developer membership license does not allow you to: sell the themes on online auctions, sell or display the themes modified or otherwise from your own website via an online catalog system or any automatic selling system, distribute the templates to friends, acquaintances, colleagues, co-workers or distribute the

templates in any other manner for free or for payment that is against the terms outlined throughout.

The available developer membership packages and the licenses attached to that membership are illustrated below:

Developer License Memberships:

3 Month Developer Access - Price: \$199.99 – Number of Licenses: 20

6 Month Developer Access - Price: \$399.99 – Number of Licenses: 45

1 Year Developer Access – Price: \$499.99 – Number of Licenses: 75

One license is used each time that any ThemeStock.com product is used on any website URL, which includes both Your sites and your client's sites. For example, the use of a ThemeStock.com product on <http://www.yoursite.com> would constitute the use of one license. If you thereafter, chose to use the same product or different product on a subdomain, such as <http://design.yoursite.com>, or on a hostname, such as <http://hostname.com/yoursite>, this would constitute the use of an additional license. In other words, if you used the same or different ThemeStock.com product on all of the examples listed above, you would have used four (3) licenses. Therefore, each website URL that you use a ThemeStock.com product on will count as a license, and you must register the website URLs you will be using the ThemeStock.com products on and licenses for within your member account page once you have purchased a membership. As such, you are required to register both your personal websites and clients' websites within your member account page once you have purchased a membership and each time thereafter that you use one of your developer licenses.

You are not permitted to use any ThemeStock.com products on any website URLs that you do not have any licenses available to use said products on. Any violation of this provision of your ThemeStock.com Developer Membership Terms of Use will be considered a breach of your service agreement, resulting in the immediate suspension of your account and all licenses acquired prior to this breach shall be rendered void requiring the immediate removal of any and all ThemeStock.com products from all website URLs you have used ThemeStock.com products on and deletion of said products that you have acquired.
